Time distribution schedule and instructions for the World Space Models Championships 2025 – General registration, model registration and scale models

The document presents a detailed time schedule and instructions how to proceed on the different stages of registration of the upcoming World Championship. Main rules to avoid delays or unnecessary issues:

1. Be on time when you are scheduled! Coming earlier does not help the organizer, nor the TM/competitors and can produce unnecessary queues.
2. Have your documents and needed papers prepared in advance and filled correctly! For each section (Team registration, model registration and scale models turn in) there is a checklist of needed documents.
3. Come only in the number of people needed! For TM registration and motors take over a maximum of two people are allowed. For model and scale registration only the Team members and the TM are allowed to enter the room.

To avoid any unnecessary delays for scale model turn in, please review these instructions.

TM shall ensure that their team members follow the schedule and instructions.

- **Registration** – the teams who arrive are advised to come to the registration room to be registered. In case there is already people at the registration priority will be given according to the table below! g

MAX 2 people are allowed to go to the registration! – have all the documents ready, so there will not be any delay.
